

December, 2021

Dear Community Partner:

Since the beginning of COVID-19, SACIS has been forced to cancel fundraising events that support our programs and services. We have also had to cancel or limit many community awareness events as well. Today I'm excited to announce that we are planning a new event – Lend Us Your Ear- in April of 2022. This event will be something unique and fun and will include jewelry available to purchase, silent auction, great food, music and a cash bar, all while helping us raise critical dollars to support our mission. We greatly appreciate your past contributions and ask for your continued support of our new event.

Over the past 44 years, our organization has provided critical services and programs for survivors of sexual assault and their family members. Our qualified staff and trained volunteers provide crisis intervention through a 24-hour crisis hotline. They respond to area hospitals all hours of day and night to be with survivors that seek medical help. We stand side-by-side with survivors in county courtrooms providing legal support as they await justice. Our trauma informed counselors provide nearly 20,000 hours of counseling to survivors as they heal. Our prevention team is working in all schools and communities through our coverage area to provide important prevention programs and information. We cover Coles, Cumberland, and Clark Counties. Our satellite offices, CAISA, provides services in Crawford, Edwards, Jasper, Lawrence, Richland and Wabash Counties.

SACIS is a 501(c)(3) nonprofit organization, not a government agency. We rely on grants and the generosity of supporters like you to ensure that survivors have the support they need when they need it most. On behalf of our organization, I thank you for your consideration and look forward to visiting with you soon.

Respectfully,

David Chayer
Executive Director
